THIS IS...

M. Sasek's beloved and nostalgic children's travel series have been reissued. The brilliant, vibrant illustrations have been meticulously preserved, remaining true to his vision more than 40 years later and, where applicable, facts have been updated for the twenty-first century, appearing on a "This is...Today" page at the back of the book. The stylish, charming illustrations, coupled with Sasek's witty, playful narrative, makes for a perfect souvenir that will delight both children and their parents.
