**Easy Elegance**  
Bartlett, Atlanta

Atlanta Bartlett offers a liveable, practical and elegant alternative to the fastchanging parade of interior trends and glossy show homes. The four fundamentals are comfort, simplicity, function and individuality. Once these elements are in place, Atlanta maps out the five different facets of the look to help you pinpoint the style that suits you best. Choose from the clean lines of Modern Elegance, the cosy comfort of Country Elegance, the quirky appeal of Retro Elegance, the soft sensuality of Feminine Elegance, or the vintage charm of Faded Elegance. Finally Atlanta take you through every room in the house, demonstrating how to put the look into practice.

**Living with White**  
Abbott, Gail

Living with White celebrates living in a hot climate where the use of colour is as intense as the heat. White is the backdrop while walls, floors, doors and furniture painted in vibrant blues and greens, hot reds, magenta pinks, terracottas and oranges create the drama and interest. Houses in hot climates from the Mediterranean to the Gulf Coast have been adapted to withstand the heat, and chic, modern, uncluttered interiors create oases of cool and calm. This stunning book provides glimpses into real homes designed for life in a hot climate, from beachside villas on the South African coastline to the chic style of Miami.
