**Longchamp**  
Aucouturier, Marie-Claire

Longchamp, the French leather goods company, is perhaps best known for its Le Pliage line - a collection of foldable travel bags made of vinyl with leather trim. This lavish book, illustrated with 180 black-and-white photographs, retraces and celebrates the history of this famous company as it marks its 60th anniversary. Today, in addition to its heritage as a leather goods firm, Longchamp has cultivated a devoted following. Their partnerships with artists Thomas Heatherwick and Tracey Emin and advertising campaigns with supermodel Kate Moss have cemented the company's reputation as a stylish innovator.
