Blankets, Bears and Bootees

Bliss, Debbie

Blankets, Bears and Bootees is a charming collection of nursery essentials that will delight every new parent and their baby. Based around a trio of core baby items Debbie Bliss has designed a range of nursery accessories, cuddly toys and garments. Each project is a beautiful design in its own right, whilst others can be made to accompany another project - for example, the garter stitch Striped Blanket is a wonderfully simple piece to knit but to make it extra special you can accompany it with the Striped Mouse. Likewise, you could team the Blanket Stitch Blanket with the matching bootees and toy bunny.

Easy Kids Knits

Montgomerie, Claire

Easy Kids Knits features 20 items for children aged between 3 and 10, as well as an introduction to essential knitting techniques. The first section, Getting Started, is illustrated with clear, easy-to-follow step-by-step photographs and includes all the basic stitches as well as tips on following a pattern and fixing mistakes. Clothes features gorgeous garments for both boys and girls, while in Accessories you will find small-scale items such as the cutest little slippers with animal faces. Finally, a useful suppliers section will help you source yarns and equipment.

Regulars, The Stolfa, Sarah

184 x 228 mm
96 pages

It's four o'clock in the afternoon and the regulars start to file into the perpetual twilight of a downtown bar in Philadelphia. Bartender Sarah Stolfa pours out the drinks then picks up her camera. Her portraits are both stark and resonant, tender and alienating, and they capture something deeply specific to the place yet relevant to watering holes everywhere. The series launched her career as an artist, winning awards and appearing in the pages of the New York Times Magazine, the New Yorker and several gallery shows. The urban bar experience is brought to life and topped off with an introduction written by best-selling author Jonathan Franzen and Stolfa's own meditations on finding her inspiration while tending bar.
