Made in France: Linen and Thread

Lyonnet, Monique

205 x 250 mm
144 pages

ISBN 9781741966039 - \$34.95 PB

QTY:

Be inspired by the earthy texture and elegant shades of linen and a stash of irresistible ribbons. Made in France: Linen and Thread shows you how to use this versatile fabric to create and embellish forty stylish accessories for the home.

Follow the simple instructions to sew cushions, table linens, aprons, blankets and bags, and then embroider your homewares with the charming motifs provided.

Illustrated with drawings of the individual steps and beautiful photographs of the finished projects, this book will inspire both novice embroiderers and accomplished needle workers.

Making Children's Clothes

Hardy, Emma

235 x 228 mm
128 pages

ISBN 9781906525798 - \$35.00 PB

QTY:

Using just a few simple sewing techniques, **Making Children's Clothes** shows you the easy way to create fun and stylish outfits for young children (0-5 years). By combining a few easy-to-learn stitches with great fabrics and trims, expert seamstress Emma Hardy explains how to make beautiful yet practical clothes for your children. Choose from 25 different projects, including party frocks and pinafore dresses, simple shirts and elasticated trousers, sleepwear and accessories, such as hats, bibs, booties and aprons. There are clothes for young boys and girls, toddlers and babies, plus full-size paper patterns that can easily be scaled to suit different ages.

Origami for Children

Ono, Mari

235 x 228 mm
128 pages & 60 origami sheets

ISBN 9781906525804 - \$35.00 PB

QTY:

Origami for Children is the perfect introduction to origami, the fun Japanese papercraft for parents and children of all ages. Divided into six sections, the projects cover a fun range of themes, from classic origami designs such as animals to party decorations and modern vehicles. There's even a project showing how to create the classic Japanese arcade character Pacman. You'll be amazed at how much you can create with a few simple folds. Every stage is described in a series of clear step-by-step photographs, showing all the techniques you will need to complete each of these great designs. Also included is a specially designed pack of origami paper with enough pieces to complete all the projects, so you can start straight away.

Paper Astronauts

Cezzar, Juliette

208 mm
203 x 254 mm

ISBN 9780789318817 - \$59.95 PB

QTY:

Paper Astronaut is a beautifully illustrated voyage into deep space, bringing together stunning archival photographs and colourful technical drawings with expertly designed die-cut models that readers can cut out and stick together. The book includes concise histories of 24 feats of galactic engineering drawn from a half-century of space programs around the world, from NASA's legendary Apollo 11 to the Russian space station Mir, from Japanese shuttles to Chinese reconnaissance satellites and Virgin Galactic's passenger shuttle SpaceShipTwo. Each spacecraft is accompanied by amazing stories, fascinating facts and statistics, and mesmerizing photographs of the vessels in space.
