**Get Smart: 100 Factors That Will Help or Hinder You**  
Pincock, Stephen

178 x 140 mm  
144 pages

ISBN 9781740668149 - \$19.95 PB

QTY:

Get Smart! is a distillation of the latest research into intelligence, and a guide to the tools, strategies and lifestyle most likely to maximise intelligence. Part self-help book, part psychology primer, it features 100 pieces of advice on what will and will not help you to reach your full intellectual potential. The information the book presents is scientifically rigorous, often startling, but never preachy. Informative, factual, accessible, and scientifically rigorous, **Get Smart!** gives the best available advice across a range of situations and activities that are relevant to our intelligence.
